## CAMP FIRE DELIVERS CAPITAL CAMPAIGN

**Celebrating Generations of Leadership — Past, Present, Future**

### **Thank You on Behalf of the Children**

*Thank You* to the over 200 board members, staff, individuals, families, clubs, businesses, corporations, foundations and organizations who contributed to the success our Camp Fire Delivers Capital Campaign.

You are making it possible for us to provide thousands of hours of increased services each year for current and new children.

These increased services will be in the areas of Environmental Education, Resident & Day Camping, a new After School

Program, Self Reliance Programs, Leadership Programs and Club Programs.

The ultimate goal is to fulfill our mission to “Build Caring Confident Youth and Future Leaders.”

Your donation is making this possible. **THANK YOU for making the dream come true!**

### ENDOWMENT GIFTS

Endowments are an important long term resource for non-profit organizations. Camp Fire’s endowment provides an on-going income that will help us sustain our growth.

Our endowment is being built over time as cash and property are donated. Some of these gifts, like those made during our capital campaign, are made in cash payments and pledges.

Some are being made through wills by special people like Bob & Lori Christenson. Camp Fire USA Snohomish County Council greatly appreciates being remembered in their will. Their gift will benefit thousands of children in the future, some who may not even be born yet.

We invite those who have benefitted from Camp Fire and those who wish to help secure the future of our communities children to consider remembering Camp Fire USA Snohomish County Council in their will.

There can be no better cause then helping children become, “Caring Confident Youth and Future Leaders.”

For more information, contact Executive Director, Dave Surface at 425.258.5437.

### Pavers For The Centennial Celebration

Join us in celebrating the 100th Anniversary of Camp Fire USA.

You can have a paver in the Centennial Section at Legacy Square next to the Welcome Center at Camp Killoqua to celebrate this very special occasion.

Contact the Camp Fire Training & Resource Center for information. 425-258-KIDS (5437)
